

Boardmaker 7

Subscription

Teach more efficiently with the world's leading symbol-based special education solution. Support learning and communication in the classroom, hospital, clinic, therapy room or home with this trove of customizable material, including access to over 40,000 diverse Picture Communication Symbols® (PCS).

Editor

- Available on Windows, Mac and Chromebook with a new, intuitive interface plus local and cloud storage
- Import, edit, print and play most files from older versions of Boardmaker software
- Increase efficiency with features like edit-in-place, hundreds of templates, and built-in web search
- Stay up-to-date with automatic software updates

Student Center

- Personalized, fully accessible instruction anywhere, anytime (even offline)
- Access free content and assign play activities
- Student's custom accessibility settings are instantly in effect the moment they log in

myBoardmaker

- Manage your subscription, organize your materials and assign activities to students (Org and Pro only)
- Gain access to additional content including curricula and the Boardmaker Community

Curriculum

- Activities-to-Go: thematic units focused on science, social studies, and life skills, designed for students in grades K-12
- Reading Avenue and Core First® Learning feature thousands of activities, books, and lesson plans

Community

- Explore over 100,000 ready-made activities and templates from more than 500,000 members
- Upload activities you've created and share them with your students' support teams
